Christian Voices is a new Musical Theatre Group that retells the Bible stories of the Old and New Testament. The members of the Group are people from different denominations and this is their first musical play.

"Lost and Found" is based on the story of The Prodigal Son. The story is well known. The focus is not only on the rebellious son, who takes and squanders his inheritance, and then returns home, it is also on the unconditional love given by the Father and the reward of foundation, faith and forgiveness.
