ACT 2

SONG: "PARTY"

ACT 3

SONG: "SOONER OR LATER"

ACT 4

SONG: "SOMETHING FOR NOTHING"

ACT 5

SONG: "SORRY"

ACT 6

SONG: "SURPRISED"

Independent young man (Act 1)

He was bored of his life
Didn't wanna be a farmer forever
Just wanna know what the grass is
like
On the other side

It came from within
The feeling to leave his father and
brother
And all the people that he grew up
with, yeah

CHORUS

Cause he's an independent young
man
(No one ever really saw him like
that)
He's an independent young man
(Doesn't ever really wanna look
back)
He's an independent and quite in-
sistent young man

He could spend lots of cash
Go and live a life of parties forever
Knowing all the hard work's left be-
hind
With the servant kind

He could leave all of this
Boredom and frustration behind him
and even
Be the life and soul of all around,
yeah

CHORUS

Party time (Act 2)

What's he gonna do? (Have a party)
Splash the cash like that
What's he gonna do? (Have a banquet)
Splash the cash like that
(Cause he is)

CHORUS

Drinking wine in abundance
What more can he do?
He claps his hands with his so called
friends
And loves his life so new
He knows just how to party
So shallow is his life
But he has no bad intentions
And knows not any strife

How's he gonna live (In denial)
Waste his life like that
How's he gonna live (Like a blind man)
Live his life like that
(Cause he is)

CHORUS

INSTRUMENTAL CHORUS

(Cause he is)

CHORUS

Sooner or later (Act 3)

Live in a dream because they want to (they want to)
Smile at the dancers dancing for you (for you)
Living in a fantasy that this will never end (end)
Just to take advantage of him - no one can defend
It will be

CHORUS

Sooner or later you will find (you will find)
That nothing ever lasts forever
Just think of that my friend and
Sooner or later all the money goes and people slide away

Can't blame the people all around him (around him)
Taking on the fun that's offered to them (to them)
It takes away the boredom, that's all they say it is (is)
But he will leave with no one and nothing to call his
It will be

CHORUS

INSTRUMENTAL CHORUS

(It will be)

CHORUS

Something for nothing (Act 4)

There it is, there it is, the flip side of the coin
Now they seem to turn their back on you
You rode your luck, you had all that you wanted
And now there's a lesson there for you
Hear what we say

CHORUS

You might get something for nothing (get something for nothing)
You might think you're owed a living (yeah, owed a living)
You might get a break and count your blessings (yeah, count your blessings)
But you gotta help yourself sometimes

Now you know, now you know, you had an easy time
You learned a lot, you learned a lot, people come and go
You thought that all the people were your closest friends
Only to find out they were using you
Hear what we say

CHORUS

CHORUS

Yeah you gotta help yourself sometimes

Sorry (Act 5)

You've gone full circle playing around
Got a gut full of life and I think you
found
What you need, yeah, what you need
You done a bit of this and you done a
bit of that
You're a bit naïve but it all comes
back
To what you need, yeah, to what you
need

CHORUS

You need to say sorry to the people
you love
Gotta be a bit humble, look to above
for strength
yeah, to say sorry
And you gotta realise 'I told you so'
Just ain't so bad when it comes from
the ones you love
yeah, if you're sorry

You've been a real lad but you can't
deny
you take the bad with the good, you
can't say goodbye
to what you need, yeah, to what you
need
You rolled the dice and played Rus-
sian roulette
You lived in hope but now it's time to
bet
on what you need, yeah, on what you
need

CHORUS

CHORUS

Surprised (Act 6)

His face was a picture, he couldn't
believe
That his own dear father was so re-
lieved
that he came back, that he came
back
That he came back and expected to
be treated like a thief

Tell you now, even what you've done
You'll still be worthy to be his son
You'll still receive you're father's love
Forgiveness should be enough
Forgiveness should be enough for you

CHORUS

Well don't be surprised that the sun's
in the sky
And the people are wishing you well
Well just look around and you'll see
that they found
The answer to what they've been
missing

A boy had left and a man returned
He'd made mistakes, had his fingers
burned
So surprised that, when he came back
Yeah, he found that
all the people and the memories re-
turned

Only if you're a humble soul
can you feel that you've reached the
goal
of turning into a better man
Back to where it all began,
back to where it all began for you
