LET HIS LIGHT SHINE

We all need love
We all need hope
So we can live one day to the next
so we can cope

We all need faith
We all need trust
You can't buy it anywhere
but it's a must

CHORUS:
We need so many things
Will we have peace of mind
when all the things we need
are so hard to find?
This world's a lonely place?
That's really not the case
if we find the time
to let his light shine

We all need time
We all need space
So we can deal with the world
Outside and find our place

We all need joy
We all need peace
So hatred will disappear
and anger cease

CHORUS:
We need so many things
Will we have peace of mind
when all the things we need
are so hard to find?
This world's a lonely place?
That's really not the case
if we find the time
to let his light shine

JESUS IS CRUCIFIED

Darkness fell
and as the night wore on
They tried so hard to prove
what he had done wrong

One by one
People would testify
each story was different
but no one asked why

CHORUS:
Jesus our Lord, Jesus our Lord is
crucified

Morning came
They had another plan
They sent him to Pilate
to sentence this man

In the end
Pilate became afraid
He succumbed and gave them
what they had all craved

CHORUS:
Jesus our Lord, Jesus our Lord is
crucified
