ACT 7

(1) HIS WILL

It took a couple of miracles and Moses knew
He wasn't gonna change God's mind
He didn't think he was the man for this
And that's why God showed the signs
It was a message to him to relay to his
brother
They've gotta go and see the king
The king of Egypt must set his slaves free
This above everything

CHORUS

Is God's will at the moment Moses said
It's God's will that I must do
It's His will that I must follow without ques-
tion with you

It didn't take much – Aaron was convinced
He'd had a little sign of his own
God had said you gotta go and meet your
brother
Moses wouldn't be alone
He was taken aback when Moses said the
plan
(was to) go and see Egypt's king
The king of Egypt must set his slaves free
This above everything

CHORUS

LA LA LA VERSE

CHORUS x 2

(2) LET THEM FREE

The leaders showed a little bit of human
compassion
They didn't wanna see a slave face the
lashes
(but they) didn't wanna face the king
either
They didn't wanna put their own necks
on the line

CHORUS

And there were these two strange men
Who thought that they'd been sent from
their all powerful god
A god that insisted that their king had it
wrong
The king should let his slaves go free
The king should let his slaves go free

They heard the words from Moses and
Aaron
Moses knew they'd take some convinc-
ing
He showed them the sores on his hand
And he showed them go away again, oh
yeah

CHORUS

LA LA LA VERSE

CHORUS

The king should let his slaves go free
The king should let his slaves go free

(3) EMPTY THREAT

He felt indignation
And he felt it with a passion
The king wasn't gonna be pushed around
You could say that the king was
Not a man with a conscience
The slaves were his and he wasn't gonna lose
them now

CHORUS

(He just) saw the words of Moses and Aaron
as an empty threat
(He just) saw what he wanted to see
(Couldn't be) lieve his land was going to suffer
as Moses said
It was all just too much to set them free

The slaves were the people
The people of Israel
They will all be free was the word of God
The king couldn't get this
(he was too) full of self importance
The slaves were his and he wasn't gonna lose
them now

CHORUS x 2

It was all just too much to set them free

(4) A LITTLE HOPE

At last the slaves of Egypt
Had a little hope, a little hope
There were the years of oppression
But now a little hope, a little hope

They could see their future lives
with a little hope, a little hope
They could see the signs
Of a little hope for them all

CHORUS

They would have a land of their own
God would never leave them alone
They had something to believe in
To make their lives worthwhile
Moses was speaking for Him

Of course the doubts were there but
There was a little hope, a little hope
With the words of Moses and Aaron
There was a little hope, a little hope

And as the king felt threatened
There was a little hope, a little hope
The end of persecution
a little hope for them all

CHORUS x 2

To make their lives worthwhile
Moses was speaking for Him

(5) STUBBORN AS A MULE

(The) king'd never win this battle of wills
Got fields full of animals all so ill
One bad thing seem to come after another

The word of God it had to be right
He could try and argue but try as he might
He knew he was never gonna win this one

CHORUS

But he went down fighting, fighting
He went down fighting
He was stubborn as a mule,
But he went down fighting
But he went down fighting, fighting
He went down fighting
He was stubborn as a mule,
But he went down fighting

The truth of the matter was eating at him
He couldn't hold on even though he was king
He had no choice, not a thing he could do

This kingdom of his was falling apart
But he knew deep down inside his heart
He knew he was always gonna lose this one

CHORUS

INSTRUMENTAL CHORUS

CHORUS x 2

(6) WAS IT ALL OVER?

How could they understand
Their freedom was there but lost again
It all seemed so cruel
It all seemed so cruel
There seemed to be no purpose to this
It was hard to believe that this was His
will

CHORUS

Was it all over this wonderful dream
Was it all over they just couldn't see
That their God to his word was forever
true
That their God to his word was forever
true

Moses faith did never sway
The purpose of this he couldn't say
Could only believe
He knew how it must be
He could only offer his undying faith
He would teach that this wasn't God's
will
