Another Way Home

ACT 1 - QUESTIONS

CHORUS:

Questions
So many questions
going round in his head

Answers
Have you the answers?
He needs them instead

(Repeat Chorus)

He was a King
and a Jew
Told everyone
what to do

Then he heard
imminent news
of the birth of the
King of the Jews

CHORUS:

Questions
So many questions
going round in his head

Answers
Have you the answers?
He needs them instead

(Repeat Chorus)

And so he said
to himself
I am the King and
no one else

So this child
he had to find
but no one knew what
he had in mind

Act 2 - IN GOD ALONE

CHORUS:

Everyone looks for meaning
Everyone searches for the truth
Everyone tries to make sense of it all
Everyone's heard it said but we all need
the proof
All need the proof

Each day is a new page
of the book of life we write
And yet before the ink's dry
We'll start to wonder why
But we won't be on our own
Have faith in God alone

CHORUS:

Everyone looks for meaning
Everyone searches for the truth
Everyone tries to make sense of it all
Everyone's heard it said but we all need
the proof
All need the proof

Each choice that we make counts
and will shape the life we lead
We will always have our doubts
Our lives won't be without
But we won't be on our own
Have faith in God alone

CHORUS:

Everyone looks for meaning
Everyone searches for the truth
Everyone tries to make sense of it all
Everyone's heard it said but we all need
the proof
All need the proof

Another Way Home

Act 3 - ANOTHER WAY HOME

CHORUS:

Another way home
Another way back
They needed to find
a different track
And ignore the King
No nerve did they lack
Another way home
Another way back

The King wanted to worship or so he
said
But the genuine reason he had instead
He'd one thing in mind
Eager to find
The place where the child was born

CHORUS:

Another way home
Another way back
They needed to find
a different track
And ignore the King
No nerve did they lack
Another way home
Another way back

The King wanted to kill him that was
his plan
But how did they all know this and
understand
They had the same dream
Strange as it seems
And were told not to go back
