### **HEAVEN'S DOOR**

Lazarus was there with his friends all around
Loving his friends all around
Dreaming of a life full of emotion
Can't keep a good man down
Eat a bit of this, drink some of that
Advice he'd heard before
But he kept on thinking of what might be
Knocking on heaven's door

#### **CHORUS**

Oh Lazarus, Lazarus you feel a little weak right now
But Lazarus, Lazarus open your eyes and see how
Our Jesus prays for us, makes what we do worthwhile
He'll come and see you very soon - Mary asking him now

Sitting inside day after day when the sun is shining outside
Do him so good to just go for a walk and
feel the breeze go by
But help is at hand and he knows that it is
Words he'd heard before
But he kept on thinking of what might be
Knocking on heaven's door

### **CHORUS**

Mary's asking him now

# **DEATH IS A GREAT MYSTERY**

Losing sight of what really matters

Martha needs to get her priorities right

All her time tending her chores when

Jesus's words would take care of her plight

#### **CHORUS**

Cause death is a great mystery
many don't understand or see
Jesus said don't be afraid, God is in control
God is in control

In the air the romance is kindling
Stephen looks for Jesus but with Mary on his mind
So life goes on but just back at home
Lazarus was there at the end of the line

## **CHORUS**

#### **MIRACLE MAKER**

Can you imagine the wonderful feelings?
The people all around Lazarus had
Heavenly joy and their hearts so thankful
With a strengthened faith to take all of the bad
Something so incredible now
And they know it isn't a dream
And they realise that Jesus is more
More than what he seems

#### **CHORUS**

More than what he seems

(He was) the miracle, miracle maker man
This was just the kind of thing
The Pharisees want to ban
Jesus went to Lazarus
And raised him from the tomb
Showed the people what only
Only he could do, what only he could do

# INSTRUMENTAL

Something to forever remember
A miracle from Jesus

# **CHORUS**

What only he could do, what only he could do.
