The play is based on the Parable of the Talents. A Master has to leave his home so he decides to entrust his talents to his three servants. What will they do with them? How will the servants increase their value?

We started to perform our plays in 2008. This is our 28th Production and we have visited over 20 churches.

Since 2012, we started to perform our plays in aid of a good cause or local charity. As we do not charge any admission, the money raised comes from donations given. So far, we have raised a total of over £7,000.

“FINDING HOPE”

Written by Alan Young

(To be performed in December 2019)

It is the time of the Census and a large number of people are in Bethlehem, unaware that Jesus is soon to be born.

A man is grieving over the death of his Wife. What will give him hope that his life still has meaning?
